Ahnaf Hasan

Junior Web Developer | Specializing in MERN Web Application Development

Lakshmipur, Chattogram, Bangladesh

Summary

Greetings. Hasan is here, a Web Designer and Full-stack web developer since 2021.

I am experienced with HTML5, CSS3, SASS, and JavaScript, ES6. I can design a stunning web application with JS and CSS frameworks like React and Tailwind, Material UI, and Bootstrap. I work with Nodejs, Expressjs, MongoDB, Mysql, etc. I have good knowledge of various CMS software like WordPress, and Wix.

Education

National University of Bangladesh

Bachelor of Business Administration - BBA, Business Administration,
Management and Operations · (2020 - 2025)
